Confidentiality

All documents submitted to JEDCO are subject to the Louisiana Public Records Act, LSA-R.S. 44:1 et seq., and may be released when a public records request is made by news media, competitors, or other interested parties, in accordance with the law.

If a contractor deems any document submitted to JEDCO under this RFP contains confidential business data, trade secrets, proprietary information, or data not otherwise subject to public disclosure, under La. Const. Art I § 5, LSA-R.S. 44:4 or 4.1, or other provisions of law, the contractor shall clearly mark the documents as "Confidential" prior to delivering or making them available to JEDCO.

1. If JEDCO receives a request for the production or disclosure of documents so marked, it will decline disclosure and notify the contractor of such request; provided, however, that if any action is commenced against JEDCO under the Louisiana Public Records Act, LSA-R.S. 44:1 et seq., or otherwise seeking to compel production or disclosure of the documents, the Proposer or any other person asserting the confidentiality privilege of such documents shall defend, indemnify and hold JEDCO harmless from any costs, damages, penalties or other consequences of JEDCO's refusal to disclose or produce such documents. Failure of the Proposer to immediately intervene in such legal action, will authorize JEDCO to voluntarily provide the information for disclosure under the supervision of the court;
3. JEDCO assumes no liability for disclosure or use of any document or portion of this RFP that has not been clearly marked as "confidential", or as otherwise constituting information exempt from the Louisiana Public Records Act, and may use or disclose such unmarked documents as public records.
4. The contractor is to mark the cover sheet of the proposal with the following legend, specifying the pages of the proposal which are to be restricted in accordance with the conditions of the legend:

This restriction does not limit JEDCO's right to use or disclose data obtained from any source, including the contractor, without restrictions."

Further, to protect such data, each page containing such data shall be specifically identified and marked "**CONFIDENTIAL**."

The contractor shall not mark the entire proposal "confidential" or as information constituting an exception to Louisiana's Public Records Act. If an entire response, submittal or proposal is so marked, JEDCO shall not consider the proposal for an award of the contract.

All contractors are required to tour the site at that time. Inquiries for specific information will not be entertained prior to the aforementioned tours.

Contractors must attend the mandatory site walk through to submit bid proposals.

Inquiry Periods

An initial inquiry period is hereby firmly set for all interested contractors to perform a detailed review of the RFP documents and to submit any written questions relative thereto. Without exception, all questions MUST be in writing (even if an answer has already been given to an oral question during the Pre-proposal conference) and received by the close of business on June 24, 2011. Initial inquiries shall not be entertained thereafter.

JEDCO shall not and cannot permit an open-ended inquiry period, as this creates an unwarranted delay in the procurement cycle and operations of our agency and departments. JEDCO reasonably expects and requires responsible and interested contractors to conduct their in-depth proposal review and submit inquiries in a timely manner.

Further, we realize that additional questions or requests for clarification may generate from JEDCO's addendum responses to the inquiries received during the initial inquiry period. Therefore, a final 3-day inquiry period shall be granted. Questions relative to the addendum shall be submitted by the close of business three working days from the date the addendum is posted. If necessary, another addendum will be issued to address the final questions received. Thereafter, all proposal documents, including but not limited to the specifications, terms, conditions, plans, etc., will stand as written and/or amended by any addendum issued as a result of the final inquiry period.

No negotiations, decisions, or actions shall be executed as a result of any oral discussions with any JEDCO employee or consultant. JEDCO shall only consider written and timely communications from proposers.

Inquiries shall be submitted in writing by an authorized representative of the contractor, clearly cross-referenced to the relevant solicitation section. Only those inquiries received by the established deadline shall be considered by JEDCO. Answers to questions that change or substantially clarify the solicitation shall be issued by addendum and provided to all prospective contractors.
