Number of Jefferson Parish companies in Top 100 by year:

Year 2009: 43 companies
Year 2008: 43 companies
Year 2007 42 companies
Year 2006 46 companies

The above information was taken from the 2006-2009 Top 100 Private Companies lists published New Orleans CityBusiness weekly magazine (not its annual Book of Lists). The above information was provided by the individual private companies. For each respective year, companies are ranked by the latest year's revenue available at the time each list was published. Zero values indicate subject information was not included in the primary source for that particular company and year at the time of original publication. To the best of JEDCO's and CityBusiness' knowledge, the above information is accurate. Please note: There may be other private companies that would qualify for this list but were not included because they declined to provide the necessary ranking information.
