ADDENDUM #1

RFP Number: 10008

RFP Due Date: September 19, 2013

For: One (1) year contract to provide grass cutting and landscaping maintenance for JEDCO's Administrative Offices, JEDCO Conference Center and Churchill Technology & Business Park

ADDITION TO THE SPECIFICATIONS:

Paragraph should read as follows:

Scope of Work

Section: SCOPE OF WORK 6. Mulch – **Paragraph should read as follows:** Pine bale mulch shall be used by the contractor when any mulching is required. The product shall be free of sand, dirt, gravel or any other materials inconsistent with the purpose of the mulch. Existing mulched beds shall be maintained at a minimum mulch depth of three (3) inches and a maximum mulch depth of four (4) inches. Mulch shall be applied at the request of JEDCO and priced per application and will not be part of the spring and fall cleanup.

Additionally, contractor may be requested to perform maintenance treatments to control algae; treatment shall be performed at the request of JEDCO. **Required products for algae control per acre as needed are Aquashade and K-Tea.** Treatment of the ponds will be priced per acre per foot.

Firms will be evaluated of the following:

1. Unit Price Quoted/Total (40%)
2. Experience with Similar Facility (25%)
3. References (25%)
4. Jefferson Parish Based Firm (10%)

THE RFP DUE DATE WILL REMAIN THE SAME, SEPTEMBER 12, 2013.

Pricing for RFP must be written on sheet below.
